Dear Club,

Being a single Mum of two boys, my life is fairly dull. Well, that was the case until one night recently. The kids were in bed and I'd just had a long bath. I was sitting by the open fire in my T-shirt, sipping a glass of wine when there was a knock at my front door. On opening the door, I was greeted by a vision of horniness; Steve, my best mate's husband. Tall, slim and very handsome, his blonde wavy hair was wet from the rain. He'd lost his dog – had I seen him? I told him I hadn't, but invited him in to dry off.

As Steve entered the lounge he took his shirt off and my eyes were drawn to his manly chest. His six-pack was to die for! It seemed like ages before he asked if he could have a towel. I quickly ran to the bathroom and found a soft towel for him. When I got back Steve was sat on the floor next to the fire, the dull glow on his chest making him even more tempting. As I handed him his towel he took my hand and pulled me towards him. He kissed me softly on the cheek as I sat beside him, then he took a sip of my wine, leant forward and kissed me full on the lips.

That was it. The next moment we had stripped each other and he was pouring wine on my tits and slowly licking and sucking it off, while one of his hands was in between my legs. My cunt was dripping as he put first one, then two fingers up me. I wanted him to fuck me but I knew I had to wait. Toni had told me what a great tease he was when it came to sex. I tried to return the favour but he insisted I just enjoy the moment. He kept pouring the wine very slowly over my body, avoiding my cunt as he worked his way down to my toes and back up to my neck. My moans must have informed him that I was in heaven.

I had cum three times and my wet throbbing cunt was begging to be fucked, but he still hadn't finished with the wine. He took a big mouthful and slowly dribbled it over my clit. It felt delicious as it ran down my cunt to my arse. Taking another mouthful, he spat it inside my hot cunt before sucking it out. By now I was screaming with ecstasy, then, very slowly, he slid his hard throbbing dick up inside me. He was so gentle it seemed unreal. Every part of my body was tingling as his slow, tender movement got faster and his thrusting harder – I thought he was going to explode.

He stopped and slowly poured more wine

ROLL CALL!

Dear Club,

Here I am sat writing this with so many of your most delicious models in front of me longing for me to start stroking my gorgeous shaft. Of particular note:

This month's volume 43.06: Connie never fails to inspire me. Raven: so pleased to see some pubic hair again. 43.05 Mia: The most gorgeous bottom in the country right now. 43.04: I beg you, more of Brett please, please please. 43.03 Aliana: So beautifully natural and loved the al fresco shots of Heather – more outside! 43.02: The

unfettered beauty of Eden. So pleased most of your girls are proud of what they have and resist the boob jobs.

Sorry, do have to remain anon but do invent a name for me!

Mr Made-Up-Name, Great Britain

Dear Sir, many thanks for your kind and detailed missive – you've singled out some of our favourite girls for attention. And because we're the listening wank bank, we've lined up a set of Brett for you in the very next issue, so make sure you don't miss that one!

COX ROCKS!

Dear Club,

You mention in that cracking photoset of Carla Cox that you've interviewed her. Where's the interview? I've seen this girl handling three 10 inch cocks at once in film, I want to see her answering questions about it. Sort it out, *Club!*
Gordon, Ipswich

The good news, Gordon, is that the interview is on its way. The bad news is that it's going to be a couple of months away. The other good news is that it's really rude.

up my now steaming cunt. I begged him not to stop fucking me, I needed him inside me so much. He slid his dick back in my cunt, gave a couple of hard thrusts, pulled out and slowly entered my arse. Oh my God, I thought I was going to pass out, the pleasure was so intense – I never wanted this to end. He fucked me harder and harder, going from my arse to my cunt, and it went on for ages. When I could feel he was about to cum, I got up so his throbbing dick was in my face. With mouth open, I swallowed him whole, sucking him deep inside me. His dick sliding in and out of my mouth felt so fucking dirty, and when he shot his spunk all over my face, like a kitten at a saucer of milk, I licked up every last drop. He tasted so sweet and good. I can't wait till the next time.

Infinity drool...

We're all about giving you what you want here at *Club*, and while we try to adhere to that and keep the reader in mind at all times, sometimes we have to be selfish. And so we can inform you that the picture on the bottom right of page 9, with Mia's bum just peeking out of the water, is the Editor's favourite picture of the year so far. He doesn't care if you like it or not, he's printing that one out and sticking it on his wall. We've already established that Mia has one of the best arses in history, and that picture captures it perfectly. Christ, what we wouldn't do to it. For the record, that's not water in the pool, it's the Editor's drool... ♣

Sharing Ryan's privates...

As debuts go, Ryan's is one that knocked us for six. Stunning looks, killer body, those eyes. And, it turns out that the 23-year-old American is a naughty girl as well. A quick search on the old interweb turned up some threeway girl on girl on girl action that us had taking a 'break' from our duties in the middle of the day. We've got some more photos in the bag of this hottie, and we're predicting a high finish in next spring's girl of the year vote. Time to make her feel welcome in every red blooded man's favourite way... ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

PUMP THE RUMP!

Whenever I walk down the street, my arse is always being slapped by passers-by. This would annoy some people, but I take it as a compliment. I'll lift this dress up, and you can see the source of temptation for yourself. My bottom is round and peachy, completely smooth, and the skin is soft to the touch. It's pert in such a fashion that where my buttocks meet my thighs, there is not a crease or a line, just a sharp change in gradient.

You can see a hint of my cleft through my panties, a dark ravine full of promise, hiding a rosebud pout. Grabbing me by my hips, you pull me back to where you are sitting on the sofa. Running your hands over my bum's roundness, you lean forward to kiss a cheek, letting your lips sink into the soft flesh before darting your tongue out; a sliver of wetness that makes my hairs stand on end.

Pulling back, you extend a finger and gently brush it along my dark crevice, through my panties, making my pussy seep dew. Your hand slides down my ravine, down to my pussy. I open my legs slightly and you gently fondle my mound from behind, before running your finger back up to my buttocks again. I feel you lean forward, your hot breath on my backside, and the sharp edge of teeth on my skin – you bite the peach.

Not too hard, just enough to feel the firm consistency of my flesh between your teeth, and I shiver at the electric sensations that

shoot up and down my spine. I look over my shoulder at you, and you hook your thumbs around the sides of my thong and pull them to the floor. I shrug off my dress and bra, and am soon standing before you, naked apart from my heels.

You ask me to lie over your knee, and I do so, my head buried in the soft leather material. I can feel your erection pressing up into my groin, and my pussy throbs with the nearness of it. Kicking my heels in the air with anticipation, I rub myself against the bulge in your trousers.

Once more, you are stroking my buttocks with the palm of your hands, squeezing them, kneading the flesh with stronger touches so it goes pink beneath your fingers. My breathing gets deeper and slower as this both relaxes me, and turns me on, before you lift a hand and bring it down sharply on my buttock. It doesn't hurt as much as feel hot; a wave of heat surging to my buttock and my pussy, and I wriggle my bum at you as you resume your gentle, circular stroking, enticing you to further action. You spank me once more, slightly

cheeks wobbling a little beneath your firm touch so you catch a glimpse of my pink anal rosebud.

Dipping a finger down into my pussy to draw up some moisture, you slowly bring your finger towards my puckered orifice. It's a perfect pink ring, a tiny dot in my crevice, and your slick finger gently caresses my arsehole, making me gasp and rub myself against your hard-on further. Your finger explores the entrance to my back passage slowly, feeling the tiny ridges of my entrance with your slippery finger, and gently applying pressure with the tip of your finger to my entrance. I naturally tense a little, but a swift slap on my arse soon puts pay to that.

“Your finger explores the entrance to my back passage slowly, feeling the ridges of my entrance”

harder this time, so I sigh at the impact, then you slide a finger down towards my pussy, feeling how it is slick with my juices, and brushing over my clit before heading back to my buttocks. As a couple more thwacks echo around the room, my butt is burning with heat, and my cunt is so wet and sensitive I can feel my clit pulsing between my delicate labial lips. I'm squirming on your lap, somehow trying to massage my clit, as you spank each buttock firmly, your erection prodding my groin. A couple more generous palmings and you're slipping your finger into my hot slit, feeling the warmth of my pussy entrance, and how swollen my clit is.

You slide a finger into my aching pussy, and I sigh with relief, arching my back to try and get more of your finger inside me. Twisting your finger inside me makes me gasp, and you slip out of me again, just as slowly, your finger sticky with my juices, and spank me once more. My breathing is deep and quick now, and I jerk my bottom up towards you, wanting more stimulation, and you plant a couple more firm strokes on each cheek, my

The tip of your finger eases into my hole a tiny bit, making me squirm at the intimacy of it.

Withdrawing your finger, you ask me to get up on all fours on the floor, torso leaning on the cushions. I do so, bum high up in the air, and as you move around behind it, I sway it playfully in your general direction, eliciting another spank until you grab me by the hips to make me stay still. I feel your breath on my backside once more, your delicate kisses moving across my buttocks to the tight ring of muscle at the centre, then planting a warm kiss directly on my anus.

Your tongue darts out, lapping at the soft skin of my rosebud with quick, almost tentative strokes, then, as I arch my back up towards you, you lap with a broader tongue, stronger strokes that push against my entrance. The movement changes from lines to circles, swirling around my hole until you're pressing insistently against it.

A little more pressure, and the tip of your tongue breaks through. It feels so hot inside me, a sudden electric shock that makes my pussy throb. You work your tongue further

inside, my tight muscle gripping you firmly as I hear you unzip your trousers. That feels filthy, yet so intimate, as your tongue worms its way to the centre of my being, a hand on each cheek as you pull them apart to allow you further in. You withdraw your tongue, and lap in a wide circle around my entrance once more before slipping back in, your tongue darting in and out with quick strokes this time, and I pant and grunt your appreciation, licking my lips as I push my bum out towards you.

gently sinking your teeth in on either side of my spine, and, ensuring you are as deep in me as you can go, you grind your pubis against my butt, so I feel full to bursting with cock. My arse is gripping you firmly as every nerve in my body is exploding. You withdraw a couple of inches, and push back in, thrusting in and out while all the time remaining deep inside me. Your grip is making my hairs stand on end as I gyrate my hips in time with your movements.

Eventually, you're balls-deep in me, as deep as it gets, then you draw out again, just as slowly, out all the way to the ridge of your crown before you plunge back in again. As your finger works my clit, drawing me towards orgasm, my arse tightens around your prick even further.

Leaning forward, you lick the back of my neck, before

As your pumping start to quicken, your finger moves faster on my clit, my body is singing with pleasure as your groin smacks against my bum, harder and harder. You thrust into me with a grunt, ramming your cock into my tight backside with force, so I squeal my pleasure. Your length pistons in and out of me as your finger slips over my clit one last time, and as your thick cock slams into me once more, I buck my hips and start to cum, screaming into the sofa cushion. My arsehole throbs around your cock, squeezing your spunk out of you, so you shove forward one last time, biting sweetly into my neck and spurting jet after jet of warm salty spunk deep inside my back passage. As you withdraw from my behind, making my pussy spasm, you slap my sweaty buttocks one last time, and sink to the floor. Peachy keen.

“You thrust into me with a grunt, ramming your cock into my tight backside with force”

Your mouth comes up from my arsehole, kisses up my cleft, leaning forwards and working your way up, until I feel your cock brushing against my behind as you plant a wet kiss on my neck. Your cock nudges at my slippery arsehole as I look over my shoulder at you and smile, before resting my head in the leathery material of the sofa.

Helmet is certainly a lot thicker than tongue, and you reach around with one hand for my clitoris, gently stroking it to help my body relax and let you in. I shiver at your delicate caress, and as you massage my button in circles, I moan, and arch my back further. Your prick feels impossibly large for a second, before it eases into my arsehole, a millimetre at a time, you let me adjust to your girth, my tight muscle clamped down on you as you slide inside me. My whole sex throbs with the intensity of sensation, and the throbs draw you inside, I'm wet from your tonguing and you sink, helmet deep, shaft deep, in my tight behind, my ring drawing your shaft-skin back, and I'm panting, gently pushing back against you.

All the world's a stage, and sometimes famous ladies get their norks out on it...

Ah, the sweet English rose that is Kelly Brook. A lad's mag favourite before they all imploded. An unfairly maligned stint on *The Big Breakfast*, as if presenting a dreadful breakfast zoo TV show was somehow a mark of your worth. But what we can say is that Kelly is only ever in shit films. Sorry, love, it's true. You are the only reason for watching anything you're in, because you're lovely. If you think we're lining up to see *Piranha 3D* or *Survival Island* for any reason other than your cracking face, amazing tits and smashing bum, think again! ♣

CARA 

Baby, you can drive my Cara...

As Cara is making her debut in *Club*, we thought it would be the polite thing to do to call her up and see what she had to say for herself. We're glad we did...

"Oh my god, I can't wait to see myself with all those other girls," she said. "I'm going to put an afternoon aside and have a massive wank with my biggest, thickest, longest dildoes. Tell your readers to write to me with their filthiest, rudest fantasies. I'm going to hold their letter with one hand while the other plays with my clitt until I cum all over the letter."

To be honest, it's the best phone call we've had in a while. So do what she says and write, then we can call her again to tell her... ♡

What our well-placed moles are telling us this month...

DOWN THE WIRE

Jail Break!

24-year-old inmate Simeon Lippert attempted to escape from a western Montana jail through the ductwork, only eventually surrendering so his fellow inmates could get some shut-eye. A detention officer first noticed a camera outside an entrance pointing down at 1.13am, followed by a brick and some grouting hitting the ground. The jail was immediately placed in lockdown and a search begun. At 1:30 m Lippert finally announced through the intercom, "Come get me so the rest of these guys can get some sleep." What a considerate fellow.

Class Act!

Calvin Wank, of Deposit, New York really lived up to his name after being caught touching himself in a parking lot in Kirkwood on Saturday. Several truckers had pulled into the truck stop nearby in order to report Wank's allegedly lewd behavior. Wank was apparently wearing lipstick and eye make-up when approached by police and detained. He will appear at Kirkwood Town Court on charges of public lewdness. A wank by any other name would feel as sweet.

Baby Bandit!

A carjacker gained notoriety on Friday for a distinguishing feature. No, not a tattoo, but a toddler's dummy. Oklahoma City Police are currently searching for a suspect who has been dubbed the 'Binky Bandit' after CCTV showed the suspect sucking hard on a pacifier and carjacking a red two-door 1997 Grand Prix. Oklahoma City police felt obliged to remind everyone that the man in question is wanted for a serious crime even though the picture creates a childish image. The question is, do they have a big enough play-pen for him in jail?

The Pedal-files!

This 19-year-old yielded one of the greatest excuses when officers finally got her to stop after a chase that saw speeds of up to 100mph. Star Williams reportedly told officers, "Her foot got stuck on the gas pedal," when she sped off after being asked to pull over for speeding in her Red Ford Mustang. Williams was arrested and charged with fleeing a felony and eluding arrest. ♣

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

BUBBLING UP!

I've had this little jacuzzi in my back yard for a couple of weeks now, but nobody to come and play with me in it. I'd like you to come and join me, to help me make the most of my new toy.

I hope you like my body – I sure do! I love going to the beach to show it off. I'll sashay along, with a sarong round my waist, watching all the jaws drop as I go jiggling by. There's a way to walk with a slight spring in your step that makes your titties bounce so jauntily, all eyes are drawn to them. But right now, it's just you and me, and this hot tub of bubbling water. I'm going to get in first, and warm myself up.

Mmmmm... that's the perfect temperature. Now, where is it... here it is, a nice big jet of water for me to sit on. As the water buffets against my delicate cunt lips, they become engorged and swell, so I can feel my already tight bikini bottoms getting even tighter around my pussy lips. I think it's time I took this top off, don't you? My breasts are now half-submerged in the water, so the water line cuts right across my nipples. As the water laps up and down, it gently kisses my nubs.

If I push my pelvis in and my bum out a bit more, I can change the angle so the water's

now bashing against my buttole. Cheeky! I start to flush at this point, getting more het up now, and I can feel my sticky juices collecting in my pants. I know what wants a water massage next. Turning around so I'm facing the jet, I spread my legs to give my clit some liquid loving. Fuck, yeah, I think I can cum like this. In fact, I know I can cum like this, I have had this thing for a few weeks now, you know! I try to wriggle myself around my liquid cock, but my knees bang against the wall, and I just can't get close enough.

There is this one thing that I've wanted to try since I've had the jacuzzi but am unable to do on my own... Since you're here, would you mind helping me? I want to get my clit as close to this gushing stream as I can. If I stay facing the jet, and hook my legs over the side of the jacuzzi then my bum is right up against it. I just need you to step in and support my upper body – can you do that?

You swim over to me, rest my head and

around your waist, pulling you further inside me, and relax into a good finger fuck.

Another finger joins the first, and soon two fingers are sawing in and out of my cunt. You're opening me up and your fingers wriggle and stroke the inside of my walls.

With crooked fingers you start to massage that sensitive spot on my outer wall so my pussy starts really throbbing. Where the fuck did you learn to do that? I start to thrust my pelvis in time to your movements, gently at first, then slamming my cunt down on your fingers so soon I'm fucking them as much as they're fucking me. Harder, I need more inside me, I want to be filled, stretched.

Your eye falls on the dildo that I've casually left on the jacuzzi side. I'm not the world's most subtle hinker. You strip my bikini bottoms off me completely and hoist me up so I'm sitting on the side of the jacuzzi, one of my long legs running down each side. I can spread them quite wide, can't I? In this

Another finger joins the first, and soon two fingers are sawing in and out of my cunt"

neck on your chest, and take a hold of my breasts, one hand on each. My nipples are so hard they feel like peanuts, and you tease them between thumb and forefinger as the jet pushes my sex button. That's so hot. I can feel a pressure building up in my lower body as my orgasm starts to build, and a pressure in my back where your swimming-trunk covered hard-on keeps brushing tantalisingly against my spine.

You start to pull and push me towards the spurting nozzle, play-fucking me with it so that although I've still got my bikini bottoms on, it feels like I have a watery lover in front, and you caressing me from behind.

You spin me back towards you and push me up against the wall. Pulling my bikini bottoms to one side you slide a finger right up my soaking gash, all the way in up to the knuckle. My bubbly encounters have left me hot and begging for it, you slide in all the way, no problem. I wrap my legs

totally splayed-out pose, you put the dildo to my pussy lips, and watch intently as the first inch glides in. You keep on pushing so it's four, five, six inches buried deep inside me, while I grind my pelvis on the shaft. You start to piston it in and out, watching my pussy lips grip its length.

I start to moan as your action gets faster and you get more into it so that soon all of the dildo is in me. The side of your hand slaps against my cunt and beats on my clit as you hammer the dildo in and out. I'm so full of pleasure it's hard to breathe so my breath is coming in strangled gasps. As the dildo comes out it's covered in my juices, and they're starting to trickle down in long strings into the pool. Make me cum, I need to cum.

My red hot pussy is starting to pulse, and you swoop in, enclosing soft lips around my clit and flicking across it with your tongue while still fucking the shit out of me with the dildo. Unable to withstand the arousal any more, with you still lapping at my clit and the dildo fucking me so fast it's a blur, I cum all over your hand and in your mouth. That's so good, and I'm screaming, leaning back on my hands and pushing my sex in your face, getting as much of the dildo in me as I can. Oh yeah...

That's a mighty hard-on you've got there. I think I can help you with that. Taking a breath, I dive deep underwater, free your cock from your swimming trunks, and take it in my mouth. It's a fat six-incher, and I breathe out,

“Water's good, dildo's better, but there's nothing like the feeling of a big fat cock inside you”

letting bubbles of air dance all over your cock. I flick my tongue over your helmet, over the underside, before I have to come back up for air. Taking a deep lungful, you playfully push me back down under. I think I can fit all of you in me, and I'm going to try.

Opening my mouth wide, I engulf the whole of your length so your helmet is bashing against the back of my throat. Releasing the air once more so the bubbles tickle you again, I caress your meat with my throat, draw my lips back up, over your helmet ridge, and come back up for another breath. Third time down I lock my lips around your length and suck, taking all of your helmet in my mouth while I start to wank the rest of your shaft with firm strokes. Back up, then I'm sucking you, flicking my tongue all over your helmet and wanking you harder, faster, I can taste your salty pre-cum in my mouth and I want to be fucked by this cock. I want your hot, salty load inside me.

I push you over onto the little seat in the corner of the jacuzzi. Then, I slowly lower my wet hole onto your cock, sitting myself down on your tool, hard. As you enter me I sigh with bliss, water's good, dildo's better, but there's nothing like the feeling of a big, fat cock inside you.

As I start to rise and fall, I clench my pussy muscles, dragging your foreskin back up over your helmet and down again. My insides feel warm and wet, and they're

throbbing around you. I put a hand down to diddle with my clit as I rise and fall on your cock, sending water splashing over the sides.

You put your hands round my waist and start to lift me up and slam me down so I'm fucking you hard. When I go up I go right to the top so each stroke is like a fresh first penetration, and squeeze you all the way down.

Your hands are gripping my waist firmer now, pushing me up and down as you ram your meat into me, and I'm starting to cum again, clenching you tightly and furiously rubbing my clit in circles as I'm penetrated by you, so deep, it's so deep, and I can feel every vein, every ridge of your thick, meaty cock as my pussy starts to twitch around it.

You grab my tits and squeeze them hard in your hands and it sets me off, my pulsing walls spasming around your dick so you start to cum too. I gasp with pleasure as I feel your cock tremble inside me before splattering my insides with cum.

My orgasm peaks as you release your load inside me. It goes on for so long, each spurt making me tremble and judder in your lap, and as my sex beats around you one last time I breathe a sigh of relief.

As I get up, your spunk streams out of me and forms white strings floating in the water. I wonder how I'll explain that to the jacuzzi-cleaning guy...

MILF MONITOR!

Don't get me wrong, I've fucked loads of girls in their early twenties like me and enjoyed it but, ever since I screwed my landlady at college, I've always preferred women in their thirties or forties. For a start, they've been there and done it and when a forty-something sucks your cock you realise how practise makes perfect!

The landlady I mentioned could keep me on the edge of cumming for ages using just her lips and tongue. She knew just when to squeeze my balls or stop sucking so hard until I was literally begging her to finish me off. MILFs don't seem to have as many inhibitions as younger women, and I've done stuff I would never have experienced if it hadn't been for these older babes. For instance, a lot of yummy mummies I've shagged really like anal sex, and have no problem taking it up the bum. In fact, some of them have said they actually prefer it to ordinary shagging. They are also really good at using their whole bodies for sex and I've lost count of the times I've had my prick shoved in between a nice fat pairs of tits or spent an hour playing with a woman's lovely rounded arse.

In my experience older women are definitely more adventurous and love dressing up, for example. Most of them

wear stockings and heels when they fuck because it makes them feel sexy. Corsets and basques also hide any bits of their body that they aren't too happy about as they get older, which suits me fine as it's a great turn-on. I knew this one forty five-year-old who had a collection of rubber and leather gear and she loved getting all dolled up in her kinky gear and fucking my brains out.

Loads of MILFs also have no qualms about using dildos, vibrators and other sex toys as they have spent lengths of time without a real cock to please them. It's great watching a sexy woman wanking herself off with a fake dick stuffed up her cunt or better still as she sucks on your dick. Quite a few of them enjoy porn for the same reason and some I've met have had better collections than me. They don't seem to have a problem whacking on a porn DVD while we screw which is incredibly horny.

Women of a certain age are also less clingy and are a lot more likely to be up for a casual fuck unlike girls my own age. Sometimes I've met a MILF in a pub or club and within an hour I'm in between her thighs humping her like crazy, then after she's drained my prick she's cool about me fucking off. I don't really bother much

with birds my own age anymore as MILFs satisfy my every need. No ties, no moaning, no hysterics, just hot uninhibited dirty sex – what more could any man want?

CAKE AND EAT IT TOO!

It was my birthday last week and Sandra, my girlfriend, had promised me something special. I just assumed she was going to cook me a nice meal or take me out to a club as money is a bit tight, so I knew I wasn't going to find a new Mercedes waiting for me in the driveway.

Anyway, I turned up at her place at seven in my smart togs just in case it was the club option. She called down from upstairs, telling me to make a drink and wait in the lounge. After about 10 minutes the door opened and Sandra, who prefers slopping about in jeans and trainers to dressing up, walked into the room.

I almost spilled my drink! Firstly, instead of her usual short black bob she was wearing a long, peroxide blonde wig. She had thick red lipstick and shades on and a sexy black leather mini-dress, laced up at the front so her nice firm boobs bulged through the gap. Beneath the hem of the dress I could see the tops of her sheer black stockings, finished off with a pair of the highest patent black high-heeled shoes I'd ever seen. Was this even Sandra? I thought to myself as my prick began to rise in a salute to her efforts.

She tottered across the room to the kitchen without saying a word and returned with a huge cream covered cake totally smothered in lit candles.

"Happy birthday, baby!" Sandra said in her sexiest voice and placed the cake on the table. Still in shock, I watched as she lifted

the hem of the leather skirt to reveal her lovely bare cunt.

"Wanna see your present?" Sandra purred before pulling open her pussy lips and thrusting her crotch towards me. I could see right up inside her and dragged my cock out in order to release some of the pressure.

"Look, but don't touch," my girlfriend said as she picked up the cake and made me blow out the candles. "You get a piece of me and a piece of cake at the same time," she smiled, pulling the candles out of the cake. She positioned the cake in between her legs just below her gash and looked at me before pushing the whole cake against her pussy.

"Fucking hell!" I gasped as the creamy topping squidged all over her twat and thighs, covering the rim of her stockings and dropping in big dollops onto the carpet.

"Now eat, birthday boy!" Sandra commanded and pushed her goo-covered groin into my face. I lapped at the creamy icing, swirling it with my tongue into the crack of her slit so that the sweet taste of the cake mixed with the sweet taste of her love juice. I scooped up a handful of the cake from the plate and smeared it all over her arse and down her legs, following it with my mouth, sucking the lumps of sponge from between her bumcheeks and tickling her anus through the sticky mush.

"Now fuck me!" Sandra groaned, lowering her cake-covered cunt onto my rock hard knob. I hadn't even managed to get my trousers off but I didn't give a shit as my prick slipped between her pussy lips, squelching the mess all over us, while she banged her fanny down hard against my crotch.

She wiped handfuls of my dessert all over her leather dress, squeezing it in

“Sandra groaned, lowering her cake-covered cunt onto my rock hard knob. My prick slipped into her twat”

between the gap in the front onto her tits. She sucked on her fingers and came on top of me, bucking wildly as the orgasm ripped through her body with force. I pushed her off onto the sofa and stuffed my cream-drenched dick in her mouth, pumping in and out slowly before pulling it clear of her red-lipsticked lips and squirting what seemed like gallons of cum over her upturned face, splattering her sunglasses and gunging up her tarty fake peroxide tresses.

The room was a fucking mess with cake, spunk and cunt juice splattered all over the sofa, carpet and us but neither of us cared. We continued my birthday fuck feast for most of the evening before enjoying another fuck in the shower as we cleaned ourselves off. I never let on but the wish I made when I blew out the candles had come true better than I could ever have imagined – what a girl!

RIKKI ♣

Gets sticky...

Rikki isn't one for teasing. Nothing we said could persuade her to start this photoshoot off with any more clothes on than was absolutely necessary.

"I want all the horny men and girls reading to see my pussy straight away," the 22-year-old says. "I shaved it especially for them, so why would I hide it underneath panties? I want my photos to be remembered!"

We don't think you'll have any trouble on that score... ♣

There's women you want to take home to meet your mum and others you just want to throw down and fuck the arse off!

It's the same with texting... who needs flirting when you can get straight down to it...telling her exactly what you want to do to hear then hearing back from her that she's sitting with a moist pussy that's ready for your aching cock!

Don't waste any more time...text her now...

SOME FILTHY TEXT MESSAGES, I MEAN!

RIGHT this moment, all across the UK, cock-hungry women of all ages are sitting in their homes waiting for ordinary guys like you to reach out to them for filthy text sex!

Imagine her, one hand on her mobile and the other idly teasing her moist shaven pussy...

We've got 100s of ladies on our books...from 19 to 78 years old and they come (or should I say cum!) in all shapes, sizes and nationalities from all over the UK. The only thing they have in common is that they love cock and

they want to have mobile fun with horny, fun-lovin' guys like you.

If you've never tried sexting then you're in for a treat...and with out automated system it's never been easier. All you have to do is text the trigger word GIVE to the shortcode here and we'll do all the hard work of finding a woman who's looking for the same as you...

If you want a woman from your area or a specific type just add it to your first text message...it's so easy.

SOPHIE ♣

Breaking her duck...

Sophie isn't the moaning type, but she's not entirely happy with how long it took us to put her in *Club*.

"I was hoping to make my debut a lot earlier," the 20-year-old opines, "I thought that you guys didn't like me."

Not at all Sophie. We just get so many girls who want to be in

Club that we've got a constant backlog of sexy things.

"Okay, I can forgive you. Especially as I buy *Club* and always end up having a frig over the girls. The competition is pretty intense."

Exactly. But now that you've broken your duck there'll be no holding you back! ♣

TEAL 

Earns her stripes...

The last time Teal appeared in these pages, she was just dipping her toe into the world of adult movies. As her CV now includes such timeless cinematic classics as *Deep Throat This 63*, *Cumshot Eruptions 2* and *Super Soaked Sluts*, we're going to assume that's going well...

"I can't complain!" says Teal down the phone. "I get paid to go get my make-up done, hang out with sexy people and then either eat some pussy or suck some dick. If I'd told my school careers officer I planned on doing this, she'd have laughed, as I was so shy. Now I get to cum all day long and go home with a cheque to cash. Oh, and I get to be in *Club* too! I'm winning!" ♣
